The last  
piece

*We* the class of 1997 have finally pieced together our puzzle. Since freshman year we have collected pieces to add to it. We have contributed events such as dances, football games, parades and proms; all of which will be held tightly in our memories. In the fall of 1993, we came from our own separate towns hopeful of meeting new friends and eager to see old faces.

*O*nce becoming accustomed to our schedules and the workload given to us by our teachers, the semesters passed quickly.

*W*ith each passing semester came the assurance and the knowledge that would help us after our high school years. We created the boundary to our large puzzle, enabling us to continue on and piece the rest together.

Group Hug while partying on Halloween!!!!

Bonnie Costello and Cheri Maxfield are new friends who won't let go yet!

Julie Dudley and Lauren Snell showing school spirit on Hippy Day.

Left: Jay LeBlanc and Julie Lepain pause for a smile on their way home.  
Below: Blayne Murray with some Junior Prom humor.

*T*hroughout the puzzle-piecing we were a big family. Teachers, parents and friends were there to help us through the good times and the bad. There were times for laughing and times for sharing tears, times for being angry and a time for becoming friends again. There were parties, tests, progress reports and the dreaded report cards that all contributed to our agonizing years throughout high school. All of these events allowed us to piece together an unblemished photo.

*W*e've done it class of '97! The last part of our 357 piece puzzle has at last been fitted into place.

Kristy Kathman with her camera saying "Don't Look!" to Greg Anderson, Kathy Hebert and Beth Bailey who are asleep on the job.

# Homecoming Weekend '96

The parade, led by the band, makes its way down Main Street.

"Here Comes The Sun" — Freshmen beach party.

"Rockin' Robin" — Sophomores tweet their way into Spring.

"Frosty The Snowman" — It's a holly, jolly time for the Juniors.

"Monster Mash" — Scary Seniors carve the winning float.

Matt Christy shows his fangs.

Melissa Meyer and Joanna Barrol share twin heads.

Maura Matlak dresses as a pumpkin.

The bonfire burns brightly at the soccer game.

Elliot Fuller displays his magic as the wizard of the class.

Tracy Munzner, Julie VanDerPloeg, and Kelley Tiarks "draw" up a clever costume.

Clay Voorhees pokes his head out of the pumpkin stem.

# Spirit Week

Todd Clark, Clay Voorhees, and Travis Bright jive to the beat.

Erik Sampson makes a good-looking hippie.

Trisha Murphy, Emily Clark, and Amy DiVirgilio lounge at their lockers.

Ryan and Laurie Murphy are stylin' in their groovy threads.

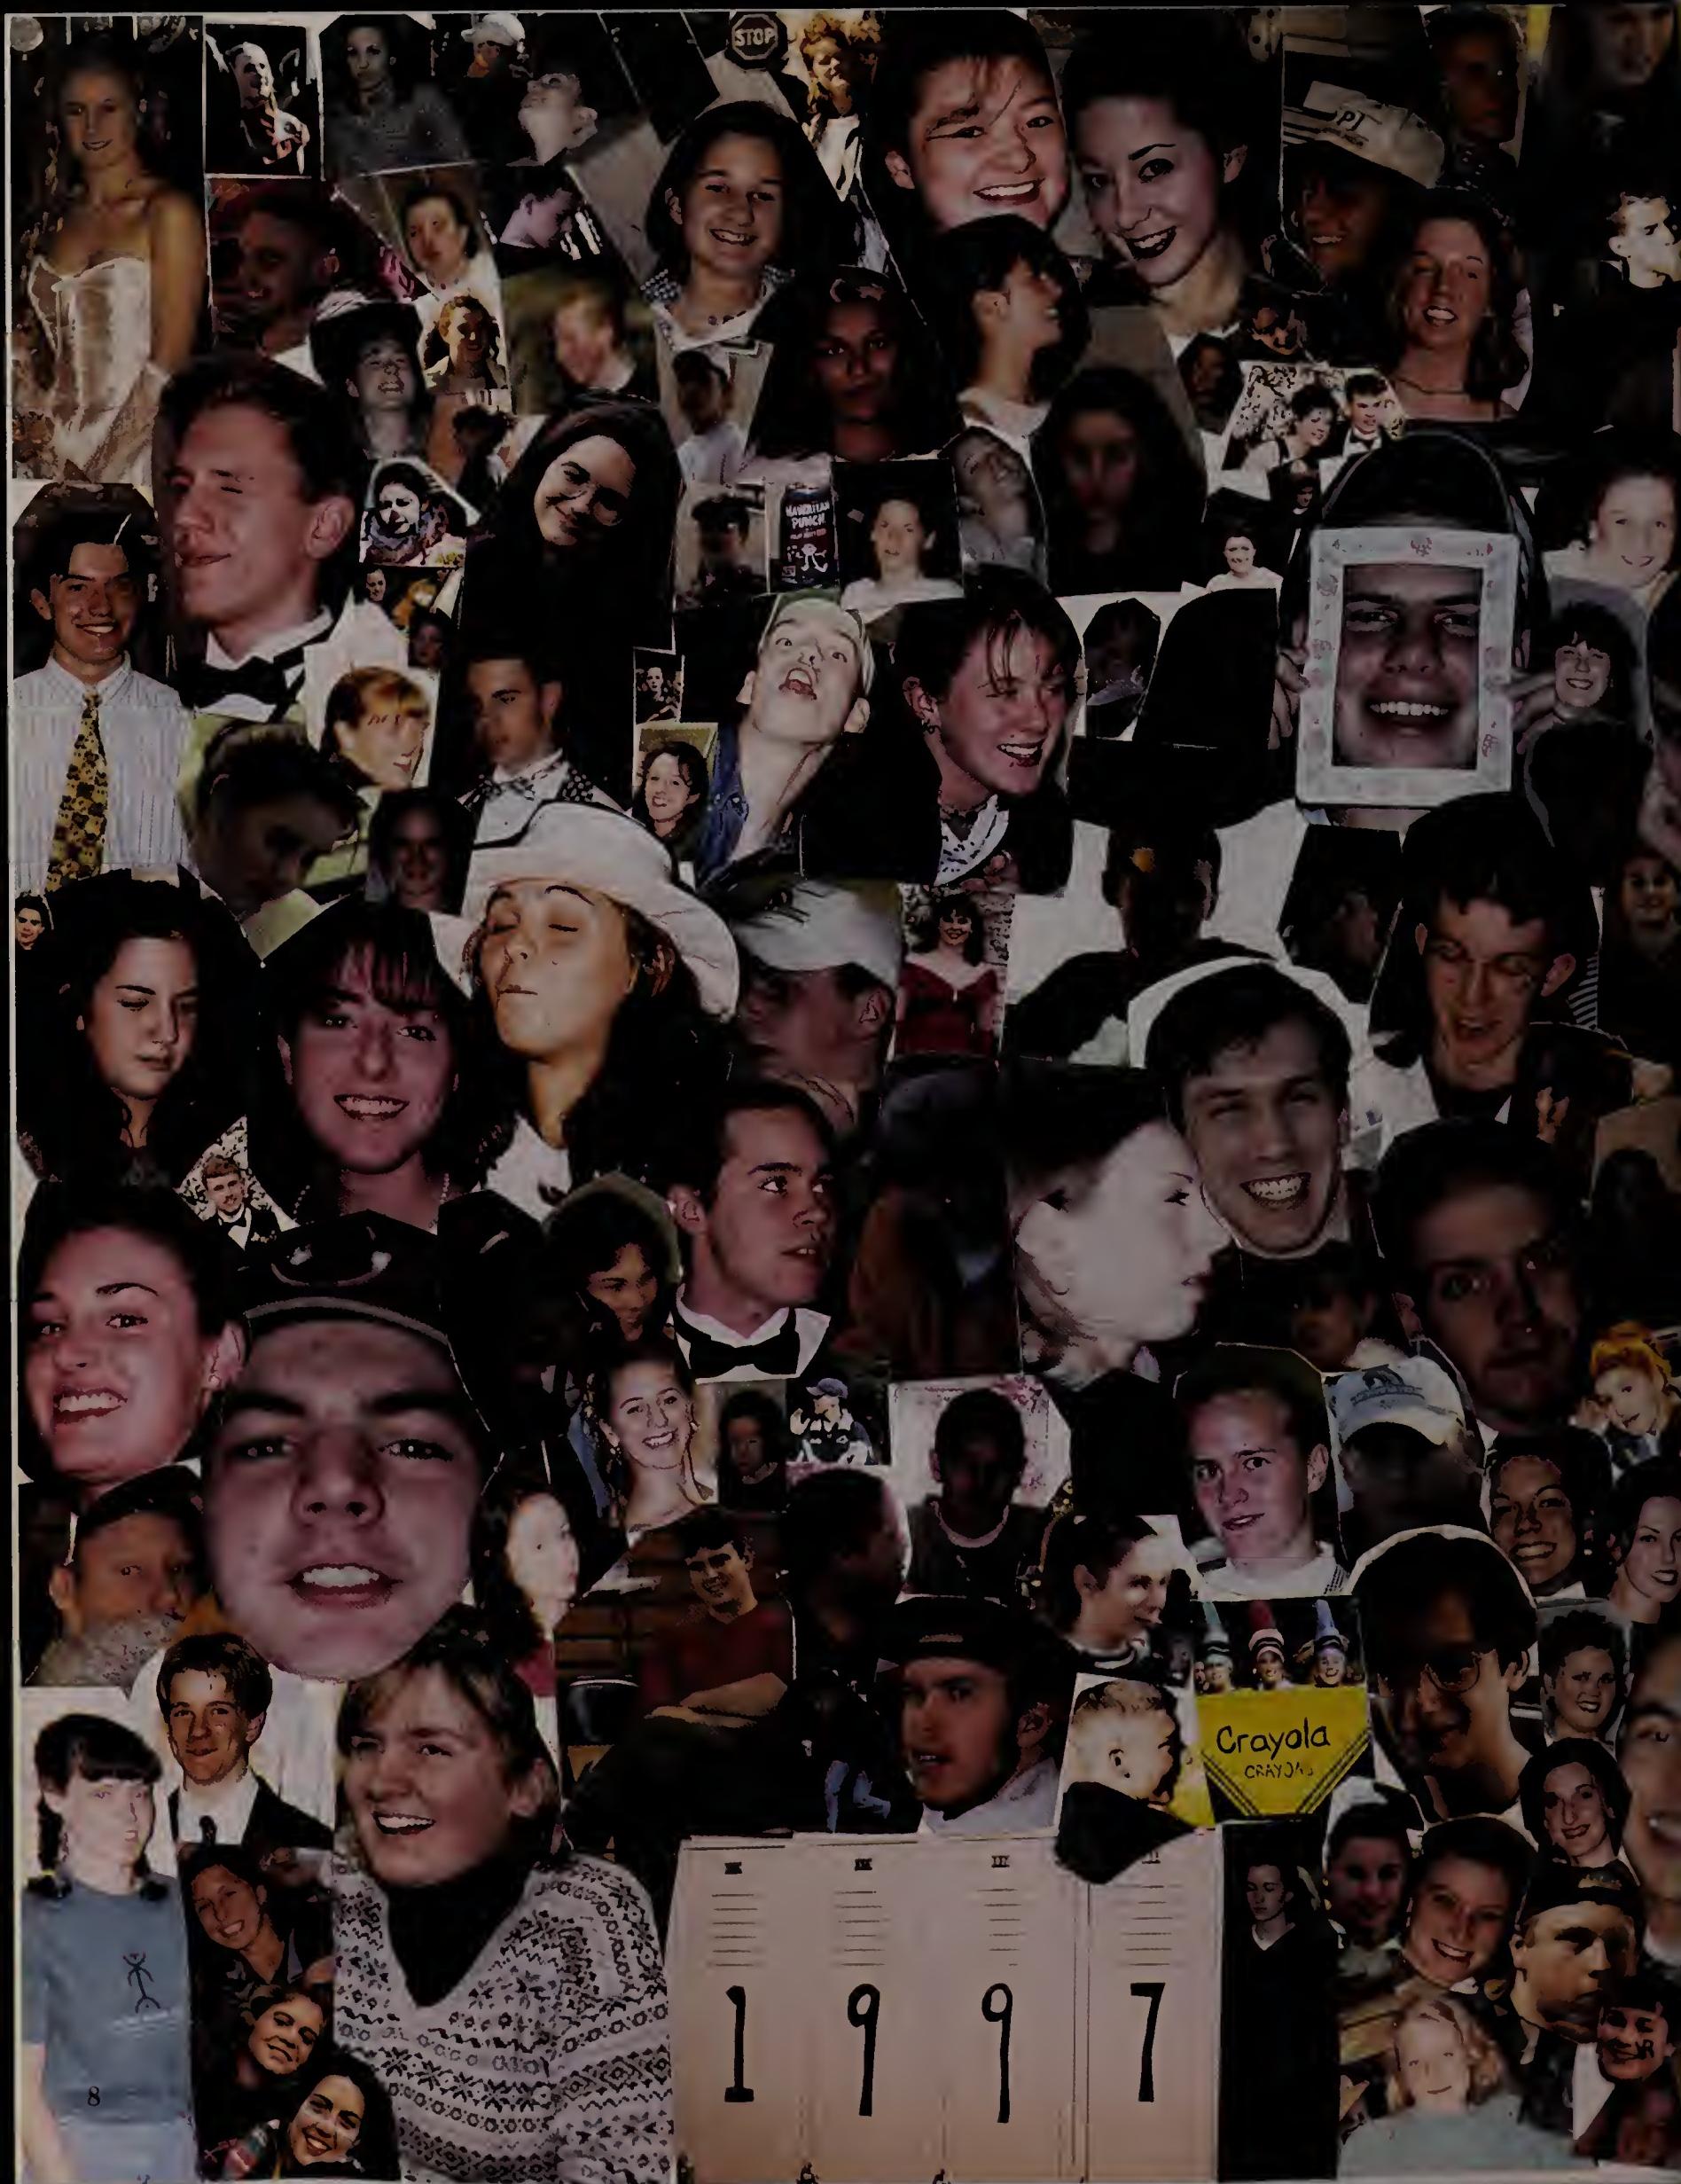

Angela Thout shows off her comfy PJ's on Pajama Day.

# Homecoming Dance

Clockwise from upper left: 1) Cheri Maxfield, Sarah Halloran, Bonnie Costello, Hilary Brodmerkle, and Steph Aubin pose before going to the dance. 2) Maura Matlak and date share a hug. 3) Tarsha Anderson, Sarah Krantz, and Brooke Lucchesi. 4) Give it up for the tough boys on campus, Ricky Hopkins and Mike Potvin. 5) Nicole Koleshis and Becky Almonte smile for the camera.

CLASS OF

Jeff Morano, Jill Pelletier and Tara Jung pose together to give a million dollar smile.

Alice Lipowczan enjoys her French homework.

Michelle Mussiello and Molly Sullivan having fun marching in the homecoming parade.

Who says that seniors can't have fun on top of the world? Left to right: Jessica Powers, Tammy Spaulding, Kathy Donelson, Kathy Hebert, Trisha Murphy, Karen Hannam, Alyssa Brooks.

Heather St. Germaine and Sherry Mentor horse around in the hallway.

James O'Keefe dreams of the World Hockey Championships after an eventful evening of serious hockey. Second Left: Adam Hayes showing his school spirit as he cheers for Wachusett.

Where are Jill Pelletier and Glenn McGillicuddy? Enjoying a break on top of the mountain with their friends, of course!

Kristy Clemente and Heather Lind pose with the '50s hunks.

"Happy to beat you any day," boast Julie Vanderploeg, Tracy Munzner and Kristen Frank.

Parties are the best time to make new buddies regardless of how weird they may be — Antti Vesala and Mark Whiteman.

Jon Sewell says good morning as yet another school day comes upon us. Second Right: "Are we having fun yet?" — Mike Potvin, Jeremy Woodsmall and Derek Beauregard exclaim as they go for another round of Twister.

Kathy Hebert and Jon Foss share their school spirit as they return from a quick trip to Subway.

Jonah Choiniere never wants to be left alone; he loves the spotlight!

Heather St. Germaine flashes more than a smile to the camera.

What a cute couple! — Kathy Donelson and Pete Stromberg

Adam Harned gives an encouraging smile as he recovers from giving blood.

# Junior Prom

*May 11, 1996*

The Junior Prom was held on Saturday at the Best Western Hotel in Leominster. Conte DJ & Sound provided the music, playing the theme song "Wish You Were Here," by Pink Floyd. The Queen, Julie VanDerPloeg, was escorted to the dance floor by her king, Tony Martins. The evening was one that no one will ever forget!

Studly boys play it cool.

Friends pose by their limo before the prom.

Girls just want to have fun.

Brian Sheils accompanies Jess Lindblom.

Julie Dudley, Beth Waterfall, Stephanie Southworth, and Lauren Monroe take a break from dancing to share a moment with the camera.

Brooke Lucchesi smiles with Dana Hendrickson.

A group of friends await a limousine ride and a night of memories.

The excitement begins at a pre-prom party.

Meg Toomey, Lisa Shell, and Brianna Flatland enjoy the prom.

The guys look good as they rock the party.

# The Best Pieces

## *Graduates*

This year's senior class at WRHS has experienced many highs and lows throughout their four years. They've said good-bye to three students as well as a teacher, they've rallied behind their athletic teams, especially when playing St. John's, they've seen the success of the high school plays, survived three freshmen/underclassmen buff — days, and they've gotten out before the Board of Education cracks down on public schools. This class has a wide variety of talented people; athletes, scholars, actors, singers and all around great people included. But the most important thing about the Class of 1997 is how they all did it together. They came in September of 1993 as separate pieces, separate towns, and over the four years through which they've grown and matured, they've become united as a class. A puzzle completed!

# In Loving Memory Of . . .

## Chera-Lynn Brunelle

April 6, 1979  
March 30, 1997

If I had only known it was our last walk in the rain  
I'd keep you out for hours in the storm  
I would hold your hand, like a lifetime to my heart  
And underneath the thunder we'd be warm  
If only I had known it was our last walk in the rain

If I had only known I'd never hear your voice again  
I'd memorize each thing you ever said  
And on those lonely nights, I could think of them once  
more  
And keep your words alive inside my head  
If I had only known I'd never hear your voice again

You were a treasure in my heart  
You were the one who always stood beside me  
so unaware, I foolishly believed that you would always  
be there

But then there came a day when I closed my eyes  
And you slipped away

If I had known it was my last night by your side  
I'd pray a miracle would stop the dawn  
And when you smiled at me, I would look into your eyes  
And make sure you know my love for you goes on and on  
If I had known, If I had only known

The love I would have shown  
If I had only known . . .

Craig Morris/Jana Stanfield

Chera's beautiful smile and her ability to raise your spirits with whatever story she had to tell you linger in my mind. But there is so much more to remember about her, such as her love for life and people, and her willingness to do anything for you. Chera's unexpected death has taught me that life is too short and too precious to waste time worrying, fighting or fussing over stupid little things; we need to remember to tell people we love how much they mean to us. We need to remember how to live life as Chera did: as if every day is our last — that is what I want to remember most about Chera. We need to remember that every day she was on Earth, she brought her beautiful smile to someone; that every day she lived life to the fullest. We need to remember the vitality she brought into a room and the spirit that remained when she left.

Chera had a passion for working with people, but she also had a strong determination to accomplish whatever goal she set her mind to. She was proud of the hard work she put into becoming a lifeguard and learning how to scuba dive. But equally as important, she enjoyed working with the instructors who helped her reach her goals; they became her friends and shared in her pride of her accomplishments. Once she decided that she wanted to work with children as a career, she dedicated herself to Child Study and working at summer camp. She identified with kids very readily because she knew the child that still remained within herself.

Chera will never be forgotten; we will always have memories to cherish and to hold close to our hearts. Thank you Chera for all you have given us, in your life and in your death. We love you.

Tara Jung

# FLASHBACK TO OUR PAST

Sarah Cranson makes a great fire hydrant during our freshman Homecoming parade.

Alison Farrell, Melissa Pirani, Caitlin O'Neil, and Alison Burak are in costume for their sixth grade mythology play.

Matt Conner is sporting some pretty fine glasses back in fifth grade.

Emily Lavoie and Eian Lynch pose as Marilyn Monroe and James Dean during the 1994 Homecoming parade.

Bridget Blackburn and Matt Paharik pose for a picture after eighth grade graduation.

Andrew CampoBasso shows his baseball interest at an early age.

Jon Foss, Heather St. Germain, Matt Holloway, and Jim Giedla enjoy a break at Nature's Classroom in fifth grade.

Jen LeBouef, Brooke Lucchesi, Jen DeSantis, Suzanne Fyfe, Shannon Fraser, Sarah Halloran, Sarah Krantz, and Suzanne Shepard show their roses in eighth grade.

Sherry Mentor, Trisha Murphy, Kathy Hebert, Amy DiVirgilio, Jon Foss, and Kristy Kathman look at the camera rather than the whales while on a whalewatch.

Anna Keskula and Jen Smith are all dressed up for their eighth grade graduation dance.

Luke MacDonnell looks surprised to be caught in a suspicious act.

Jeff Sbrogna is happy to leave eighth grade to go to high school.

Maura Matlak and Steph Aubin take a break from planning some senior class activities.

On behalf of the senior class, we would like to thank our advisors and officers for their time and commitment over the past four years. Even though the officers have changed, the work that needed to get done was always accomplished. All the patience put forth by the officers was greatly appreciated. Thank you again.

All of our officers, Dave Olano, Maura Matlak, Elliot Fuller, and Steph Aubin take a break out of their busy schedules for a laugh.

# And Advisors

Physical Education teacher Ms. Aldrich was a great help with the organization of our proms and class trips.

Mr. Caouette's artistic abilities were a huge contribution to each of our Homecoming floats.

Without Mr. Lambert's help to collect our dues, many of our senior year events would not have been possible.

Ms. Jensen added a musical touch to our senior class.

Ms. Wilde's great ideas were a very big part of our success over the past four years.

Since our freshman year, there have been many changes in the administration here. Fortunately for our class, we got the benefit of having two great administrative advisors: Mr. Farley and Mr. Pedone.

# The Corner Pieces

## *Faculty*

The faculty at WRHS during the 1996-1997 school year has done well what it has always done in the past. They've kept 1600 students in line, which is no easy task, and they've helped make these students the best that they can be. They've pushed them to be their best, and helped to pick them up when they were at their worst. This year, as well as in past years and years to come, every graduating senior will have a special faculty member, whether an administrator, a counselor, a coach, a teacher, or even just a friend, who helped get them where they are at the moment they receive their diploma.

To The Class of 1997:

It is a privilege for me to have this opportunity to write a few words to be included in your yearbook. While I do welcome this role, I feel a bit intimidated as well. Let's face it, what can a principal say that will be in any way meaningful to a class of young people? Below you will find my simple attempt; I hope that it is sufficient.

My hope for the Class of 1997 is that Wachusett has been as meaningful to your life as it has been to mine. I want to assure you that your class has added to the Wachusett experience for me. You have been a hardworking, productive group of young people, and I have every reason to be optimistic about your future. I sincerely hope that one of the things that the future holds is a realization that Wachusett has been an important part of your development, and that the relationships that you have forged here should be cherished for a lifetime.

You have enriched our lives with the work you have done in the classroom, on the playing fields, and on our stage. You have given a great deal to Wachusett and I hope that you have each managed to find something to take with you.

Sincerely,

Thomas G. Pandiscio

# The Little Pieces

## *Underclassmen*

The underclassmen can look forward to coming back next year and dealing with the Board of Education's Reform Bill which includes the elimination of study halls. This year, while the freshmen (Class of 2000) and sophomores (Class of 1999) remained relatively carefree, the juniors (Class of 1998) began to think about post high school planning, most taking the PSAT's in the fall and many taking the SAT's in the spring, and some even investigating prospective college choices. The juniors also enjoyed such events as their junior prom, and can look forward to dominating the halls and reeking havoc upon newcomers as they reign as seniors next year.

# A Piece of the Action

## Athletics

This year, the WRHS Athletic Program reached unbelievable highs, just reinforcing the previous excellence of our teams. By the end of the Winter Season, WHRS already had seven district titles under their belt. Those teams winning their respective district titles were Girls' Soccer, Girls' Cross Country, Boys' Soccer, and Boys' Cross Country during the fall season. In the winter season Boys' Indoor Track and Girls' Indoor Track went on to win State Class A Championships for the first time. The same level of athletic excellence was reached by the Spring Athletic teams who were in the midst of their competitions at the printing of this page. Whether successful or not in the win category all the athletes played with heart and good sportsmanship, keeping the Wachusett pride alive.

# BOYS' CROSS COUNTRY

After winning the first District Championship in 23 years, the Boys' Cross Country team had their most successful season in our school's history. In addition to the District Championship, they captured both the Lincoln Sudbury and Wachusett Invitations, as well as the "Mid-Wach A" Title. Hard work, determination, and the understanding of their potential made this team what it was. Senior Captains Dan Tinsley and Ryan Wood along with Junior Captain (and MVP) Mike Smith, led the boys throughout the season. Congratulations on a great season, and good luck next year in the quest for the State Title. Written by: Ryan Wood and Mike Smith

# GIRLS' CROSS COUNTRY

The girls cross country team worked hard all season and was rewarded by defending their district title and placing second in the state. This finish was the best ever in Wachusett history for girls cross country. The number one runner, senior Kelly Hughes, led the team to an undefeated season and broke her own record. The team had a strong top seven this season and the depth of the team looks promising for the years to come. This year's seniors are Kelley Tiarks (captain), Karen Fox (captain), Amy Slabich, Alison Farrell, Nicole Koleshis, Kelly Hughes, Katie Hewson, Stephanie Scibarrasi, Jill Pelleter, Leah Donahoe, and Emily Clark. The Varsity Field Hockey team was preparing for their season as the summer of 1996 quickly came to an end. Under the watchful eyes of head coach Nicole Leroux and assistant coach Christine Martiello, the team finished its season with a 6-7-5 record. After the entire forward line graduated last year, this season was considered a time of rebuilding. However, the team's desire to win and their love for the sport made it possible to overcome this problem. This year's team captains were seniors Lisa Harris and Hillary Brodmerkle. The ten seniors are Lisa Harris (captain), Hillary Brodmerkle (captain), Cheri Maxfield, Jennifer DeSantis, Lauren McNamara, Julie VanderPloeg, Bonnie Costello, Melissa Pirani, and Phanessa Fisher, Brianne Guiney. In addition to congratulating this year's team, they would like to wish next year's Varsity team as well as the teams to follow the best of luck in the future. The legend lives on . . . W.T.B.

# FOOTBALL

The football season this year was a rough one, but I think that the team showed a lot of heart. I'm very proud of all of the players for sticking with it. There were a couple of opportunities in a lot of games, but we just couldn't take advantage of them. Overall I think we showed a lot of people that we are a good football team when we come to play. We put our best effort forth, and that is something to be proud of.

This year's team made history by becoming the first boys' soccer team to repeat as Central Mass. Champions, beating North Middlesex in an intense shootout. They were defeated by a skilled Springfield Cathedral team in the State semifinals. The team finished the season at 19-2-1, something to be proud of. The seniors on this year's squad were defenders Ben Cook (Captain), Adam Hayes, and Brian Sheils; goalkeeper Jason Pratt; midfielders Mike Calamari, Matt Christy (Captain), Pat George, Drew Wilson (Captain); and forward Brian Litwinowich. The team was coached by the inspirational Richard "Skip" Knight, phenomenal Brian "Peach" Davis, stupendous Dan Nordberg, and incredible Dennis Coy. The WRHS Girls Varsity soccer team finished the 1996 season as the most successful team in Wachusett history. The girls won the Division 1 District title and advanced to the State Semi-finals. This unbelievable finish tied the team for third in the state divisions teams with Winchester, who had been ranked second in the nation. Along with the team's achievements came personal achievements from Mariah Herbest, Kristen Frank, Missy Nordberg, and Maureen Minahan. Kristen Frank was almost a Telegram & Gazette All Star and a member of the Massachusetts All State All Star Team. Katie Litwinowich was named a Central Mass. tournament and given an MVP award. The girls' dedication and hard work were also evident off of the field. This year the team will receive the MIAA Gold Academic Award with a team GPA of 88. Leading this outstanding team were Kristen Frank and Missy Nordberg, who themselves played four great years for the varsity soccer team. Rick "Duke" Lindsten, the first year coach, gave full support to the team and made the dream of winning Districts a reality. This is the beginning of a new era for the Girls Varsity Soccer Team here at Wachusett. Congratulations, and good luck to the future stars of the Girls Varsity Soccer Team. Written by Kristen Frank

# CHEERLEADING

This year was a great season. The boys' hard work and dedication led them to win the District Championship and continue further than most thought they would. We were all so happy for them and stood behind them cheering them on. We came together as individuals and formed into a team. After the hockey party I felt all the cheerleaders and hockey players felt a little closer to each other. The hockey team's victories and losses were our victories and losses. We wanted to provide them with as much support as we could. From roll call people to half-time cheers we tried to get the crowd interested and cheering with us. Everyone did a great job and we want to thank them for such a fun season. Good luck to the graduating seniors in all that they do and the best of wishes for everyone else. Have fun next year! Even though the record of the boys varsity basketball team was sub par, this season at 4-16, the record did not show how hard the team worked both in practice and in the games. The team found themselves losing many games that could have gone either way such as their close losses to division powers, Fitchburg, Doherty, and Milford. They also won a couple of big games such as their overtime victory over North Middlesex and their victory over Marlboro in the last home game of the season. The seniors Chris Either, Josh Fitch, Rob Barrow, Tony Martins, and Dave Olano all contributed to the team in different ways and left a positive legacy for the underclassmen to follow that stressed such values as hard work, dedication, and to never give up. This should help Wachusett change things around next year with a winning season. Written by: Chris Either.

# GIRLS' BASKETBALL

The girls' varsity basketball team had a memorable season. The 1996-97 season was captained by seniors Lisa Harris, Steph Aubin, and Tracy Munzner. Under the watchful eyes of the new head coach Jack Farley, the lady hoopsters finished with a 7-15 record. Although the scoreboard did not always reflect the team's ability, the girls never gave up, and played their hearts out until the final buzzer sounded. # ICE HOCKEY

This year's hockey team was very special. The six seniors (Eian Lynch, Fred Cappucci, Bryant Smith, James O'Keefe, Matt Christy, and Pat Sharp) provided excellent leadership. The team moved Wachusett hockey from the ranks of division three to the top. The biggest highlight was winning the Russell Conference Championship against Gardner in the second to last game of the season. After a slow start with early losses to Shrewsbury, Algonquin, and Xavian, the team jelled. With three games remaining, the team got three clutch victories against Gardner, Marlboro, and Auburn, to propel it into District Playoffs. With a 10-8-2 final season record, the team was ranked thirteenth in the District. Because of this, our hockey team is now very well respected, and the main reason for our success is coach Jim Herlihy. In his first year, we made the playoffs for the first time in 12 years. Coach Herlihy is a great coach who has been the savior of this program. On behalf of the whole team, we would like to thank coach Herlihy very much. We would also like to thank Mr. Lewis for helping us out along the way, the cheerleaders for sticking by us through thick and thin, the parents (especially Mrs. Bazinet, Mrs. Cappucci, Mrs. Sharp, and Mrs. O'Keefe), and all the fans who supported us along the way. Right: Kneeling: Matti Paakkonen, Kevin White, Chris Cullina Standing: Coach Lancianci, Jody Platt, Joe Dunphy, Nathan Radford, Erich Komenda, Seth Moriarty, Coach Spakauskas.

The Boys' Golf team has had a remarkable season this year. We definitely showed a great deal of promise and determination as we saw many courses through our golfing experiences. Coach Spakauskas has provided us with an outlet of opportunities which we have fully taken advantage of. Senior Kevin White led us to many victories as he was a gold medalist several times throughout the season. Other seniors such as Matti Paakkonen and Chris Cullina contributed greatly to the team's success. We would like to wish the underclassmen and future teammates victorious seasons. And hats off to the ladies who finally established their own team. Written by: Kevin White.

The Varsity Girls' Golf team has certainly come a long way since freshman year when we established a place for ourselves on a previously all-male team. Seniors Amy DiVirgilio, Lisa Harris, Kristy Kathman, and Sarah Longhway began the team in their freshman year, and since then senior Alison McGuirk and junior Lindsey Borraccino have joined the "Lady Golfers." Because of the lack of girls' golf teams in the district, we were unable to play many matches, but we continued to practice throughout the seasons, and have improved tremendously. Despite the many trees, people, and moving cars we have hit at one time or another, golfing has definitely been a learning experience that we will never forget. We would like to thank everyone who has helped us on our way, especially Lancy, Sparky, Mr. Reidy, and Richie Lewis, and we wish the best of luck to the future "Lady Golfers." # Boys' Spring Track

After an impressive indoor season, the Boys' Spring Track team also had an exceptional spring season. Whether throwing, jumping, or running, the Mountaineers provided a plethora of outstanding performances. Led by captains James Johnston, Michael Hogan, Michael Smith, and Matthew Williams, the team was a force to be reckoned with. Coming off of an outstanding indoor season, these defending Central Mass Champions have had another great spring season. This year's team was coached by Mrs. Melissa Labelle and Mr. Dennis Vanesse, a new addition to the team, and captained by Alison Burak, Kristen Frank, Lindsay O'Rourke and Amy Slabich. The season has proved successful including many dual meet wins and school records. Although the team consists of more than 50 girls, each athlete prides herself in supporting and encouraging each member of the team. Many of the feats accomplished by these girls are attributed to the determination, support for each other and dedication to the sport of track and field.

## *Clubs & Organizations*

There are so many clubs at Wachusett that there is something for everyone to do. New clubs this year include Youth Pride and the Ping Pong Club.

Existing clubs range from the Student Council to the Rugby Club to DECA to Ultimate Frisbee. Anyone who wants to get involved can. When someone joins a club or gets involved in any of the organizations offered they can meet or become better friends with others with the same interests while working towards a common goal, whether that goal be winning games, spreading information, planning events throughout the school, or just having fun.

# The Memorable Pieces

## Events

There are so many events at Wachusett that help make an ordinary school week that much more exciting. And this year was no different. From the excitement of School Spirit Week with the pep rally and dress-up days during Homecoming to the Madrigal Dinner to the craziness of Spree Day's tug of war, and not to forget the most important event of the year, Graduation, the special events at Wachusett helps make the school year more bearable and enjoyable for the students. Some events were more serious and somber in mood than others, like the Blood Drive for example, while some, like Grease, were more fun and playful. But like almost everything else at high school, people have much more fun when they are involved.

# People Being People

Brian Surette sure looks like he is enjoying his school work.

Alison Burak, Clay Voorhees, Dave Olano, Meeghan Ramsey, and Adam Hayes goof around on the ferry home from Martha's Vineyard.

Liza Lucivero and Andy Rutkewitz share a moment after working hard in Analysis class.

Matt Lein poses for the camera with obvious enthusiasm.

# The Loving Pieces

Our parents play a very important part in our lives, especially during our high school years. They've helped us make our four years here at WRHS the best they could be. They have come through for us with everyday things like giving us lunch money, driving us to school, writing out dismissal notes, and signing our report cards. Their help has been extended to include more serious support by cheering us on at athletic events, encouraging our scholastic aspirations, helping us choose a college, and most importantly, loving us every step of the way.

## STEPHANIE AUBIN

Our eldest of four whom we truly  
adore  
has blossomed into a wonderful,  
lovely woman.  
We are so very proud of the person  
you've become  
and wish you all of life's best too  
come.

You're beauty inside and out  
is a delight and a blessing to all who  
touch your life.  
Your spirit and drive  
to excel and succeed are inspiring to  
everyone's sight.

Thank you for blessing us Steph, for  
the last eighteen years  
you've been a true delight.  
As you proceed with your life journey,  
may God always bless you  
and keep you in his precious sight.

Congratulations!! Stephanie, Steph,  
Reenee ...

**After Glow**

I'd like the memory of me to be a happy one,  
I'd like to leave an afterglow of smiles when day is done.  
I'd like to leave an echo whispering softly  
down the ways,  
Of happy times and laughing times and bright  
and sunny days.  
I'd like the tears of those who grieve, to dry  
before the sun  
Of happy memories that I leave behind when day is done.

# In Loving Memory Of **DANA A. NARDI**

## May 26, 1978 May 20, 1995

*A*s the last pieces have fit into their places, so have the memories. With each game we played and each show we put on came the passing of time. We've had our break-ups and have raced through deadlines. We've managed to see the brighter sides of the picture when we were amidst the hardest portion of our young years. The loss of both friends and family only help us in order that we may learn to cope with the other similar circumstances that we will encounter throughout life. We will survive as we make new friends and find new loves. They will in turn help us endure any hardships that we may come upon. Both teachers and parents have helped us handle job deadlines and cope with other hardships. Together we've pulled ourselves through and together we'll always share lifelong memories of our high school years. As each reunion comes to pass, there will be something or someone special of whom we will always be reminded. Speaking of the days gone by, of the parties and field trips, snow days and holidays, we will all be kept interlocked, securing the picture that we've worked so hard to put together.

#### Colophon

The *Mountaineer* is an annual publication by the Yearbook staff at Wachusett Regional High School, 1401 Main Street, Holden, Massachusetts 01520. The towns served by the high school are Holden, Paxton, Princeton, Rutland, and Sterling. The book was distributed to the class of 1997 at a class ice cream social held in mid-August of 1997.

The book was printed in Winston-Salem, North Carolina at the Jostens/Hunter Publishing Division. The press run was 450 copies. The staff was assisted in the design of the cover, end sheets, division and title pages by Rick Books of the Creative Resources Department of Jostens, and by the company representative, Arnie Lohmann.

Our cover is a school-designed Truelife Combo lithograph. The base material cover is white (#478) with the addition of numerous mix-to-match inks. The litho-process cover has film lamination for protection. The front cover also has a copper foil (#382) which was used for the theme logo. The trim size is 8½ by 11 and is Smythe-sewn. It is wrapped around 120-point binder's board. The school follows the Majestic Program.

The front and back endsheets are different. Both are from the Contempore paper line and are soapstone, printed in forest green (#349). The front endsheet contains the Table of Contents. The back endsheet is the 60% screen of an original design by members of the class of 1997.

The paper used throughout the book is 80 pound gloss, printed with standard black ink. Sixteen pages were printed using the standard four color process. Original artwork, submitted by students, was refined by Jostens/Hunter. The book uses Century (#166) and Century Bold (#167) as the major typestyle. Assorted other type fonts were used at the discretion of the page editor.

A current events supplement, *World Beat* (produced by Jostens/Hunter) has been sewn into the book between pages 208 and 209.

Senior portraits were taken by Wayne Myers and his associates of *Myers Studio*, Sterling, MA, the designated official yearbook photographer. (Other professional photographers did some of the senior portraits.) Athletics (both team and candid), clubs, organizations, faculty, and major school events were photographed at no charge to the yearbook by *Myers Studio*. In addition the studio provided the yearbook staff with film, developing, and equipment at no additional cost. Candid photographs were taken and/or donated by various members of the class of 1997, the yearbook staff members, *Myers Studio*, and the advisors. *O'Connor School Portraits* photographed the underclassmen for student ID's and made these photos available to the yearbook staff at no cost.

The approximate cost of printing the book is \$26,00.00. This figure includes publishing costs, freight charges, shipment of materials to North Carolina, color candid photography expenses (purchase of film and developing costs), and other supplies. The per copy cost to the public is \$35.00. Monies are raised through an assessment to the Senior Class per student, a parent ad and patron/sponsor solicitation campaign, a newly added business ad solicitation campaign, and the proceeds from two soda machines in the gym corridor. These 248 pages are representative of the entire Wachusett student body and their community.

## SPECIAL THANKS!!!!

The advisors and staff of the *Mountaineer* would like to extend many warm thank you's to the extra people who made the publication of this book possible.

First of all to Arnie Lohmann, our company representative from Jostens/Hunter Publishing, who made several trips, phone calls, and e-mails to the school to help assist our rookie staff and advisor team. Through all the questions and the panics Arnie made the transition and creation both smooth and enjoyable.

Secondly, we thank Wayne and Bev Myers for their time and commitment. They were seen hard at work during every major event for the school, and constantly handled last minute bookings and developing with a smile. Wayne and his staff at *Myers Studio* went above and beyond providing just the necessary materials and professional service to the 1997 yearbook staff. It is because of their patience, perseverance, dedication (and special Aruba commentary) that we were able to produce a fine quality publication and have fun — even in a time when we were all just getting our feet wet.

A third thanks goes to the custodial staff at WRHS who had to constantly unlock doors, clean up after us, and round us up and send us home each Tuesday night in order to avoid locking us in. Don't worry guys — next year we'll get our own keys and brooms!!

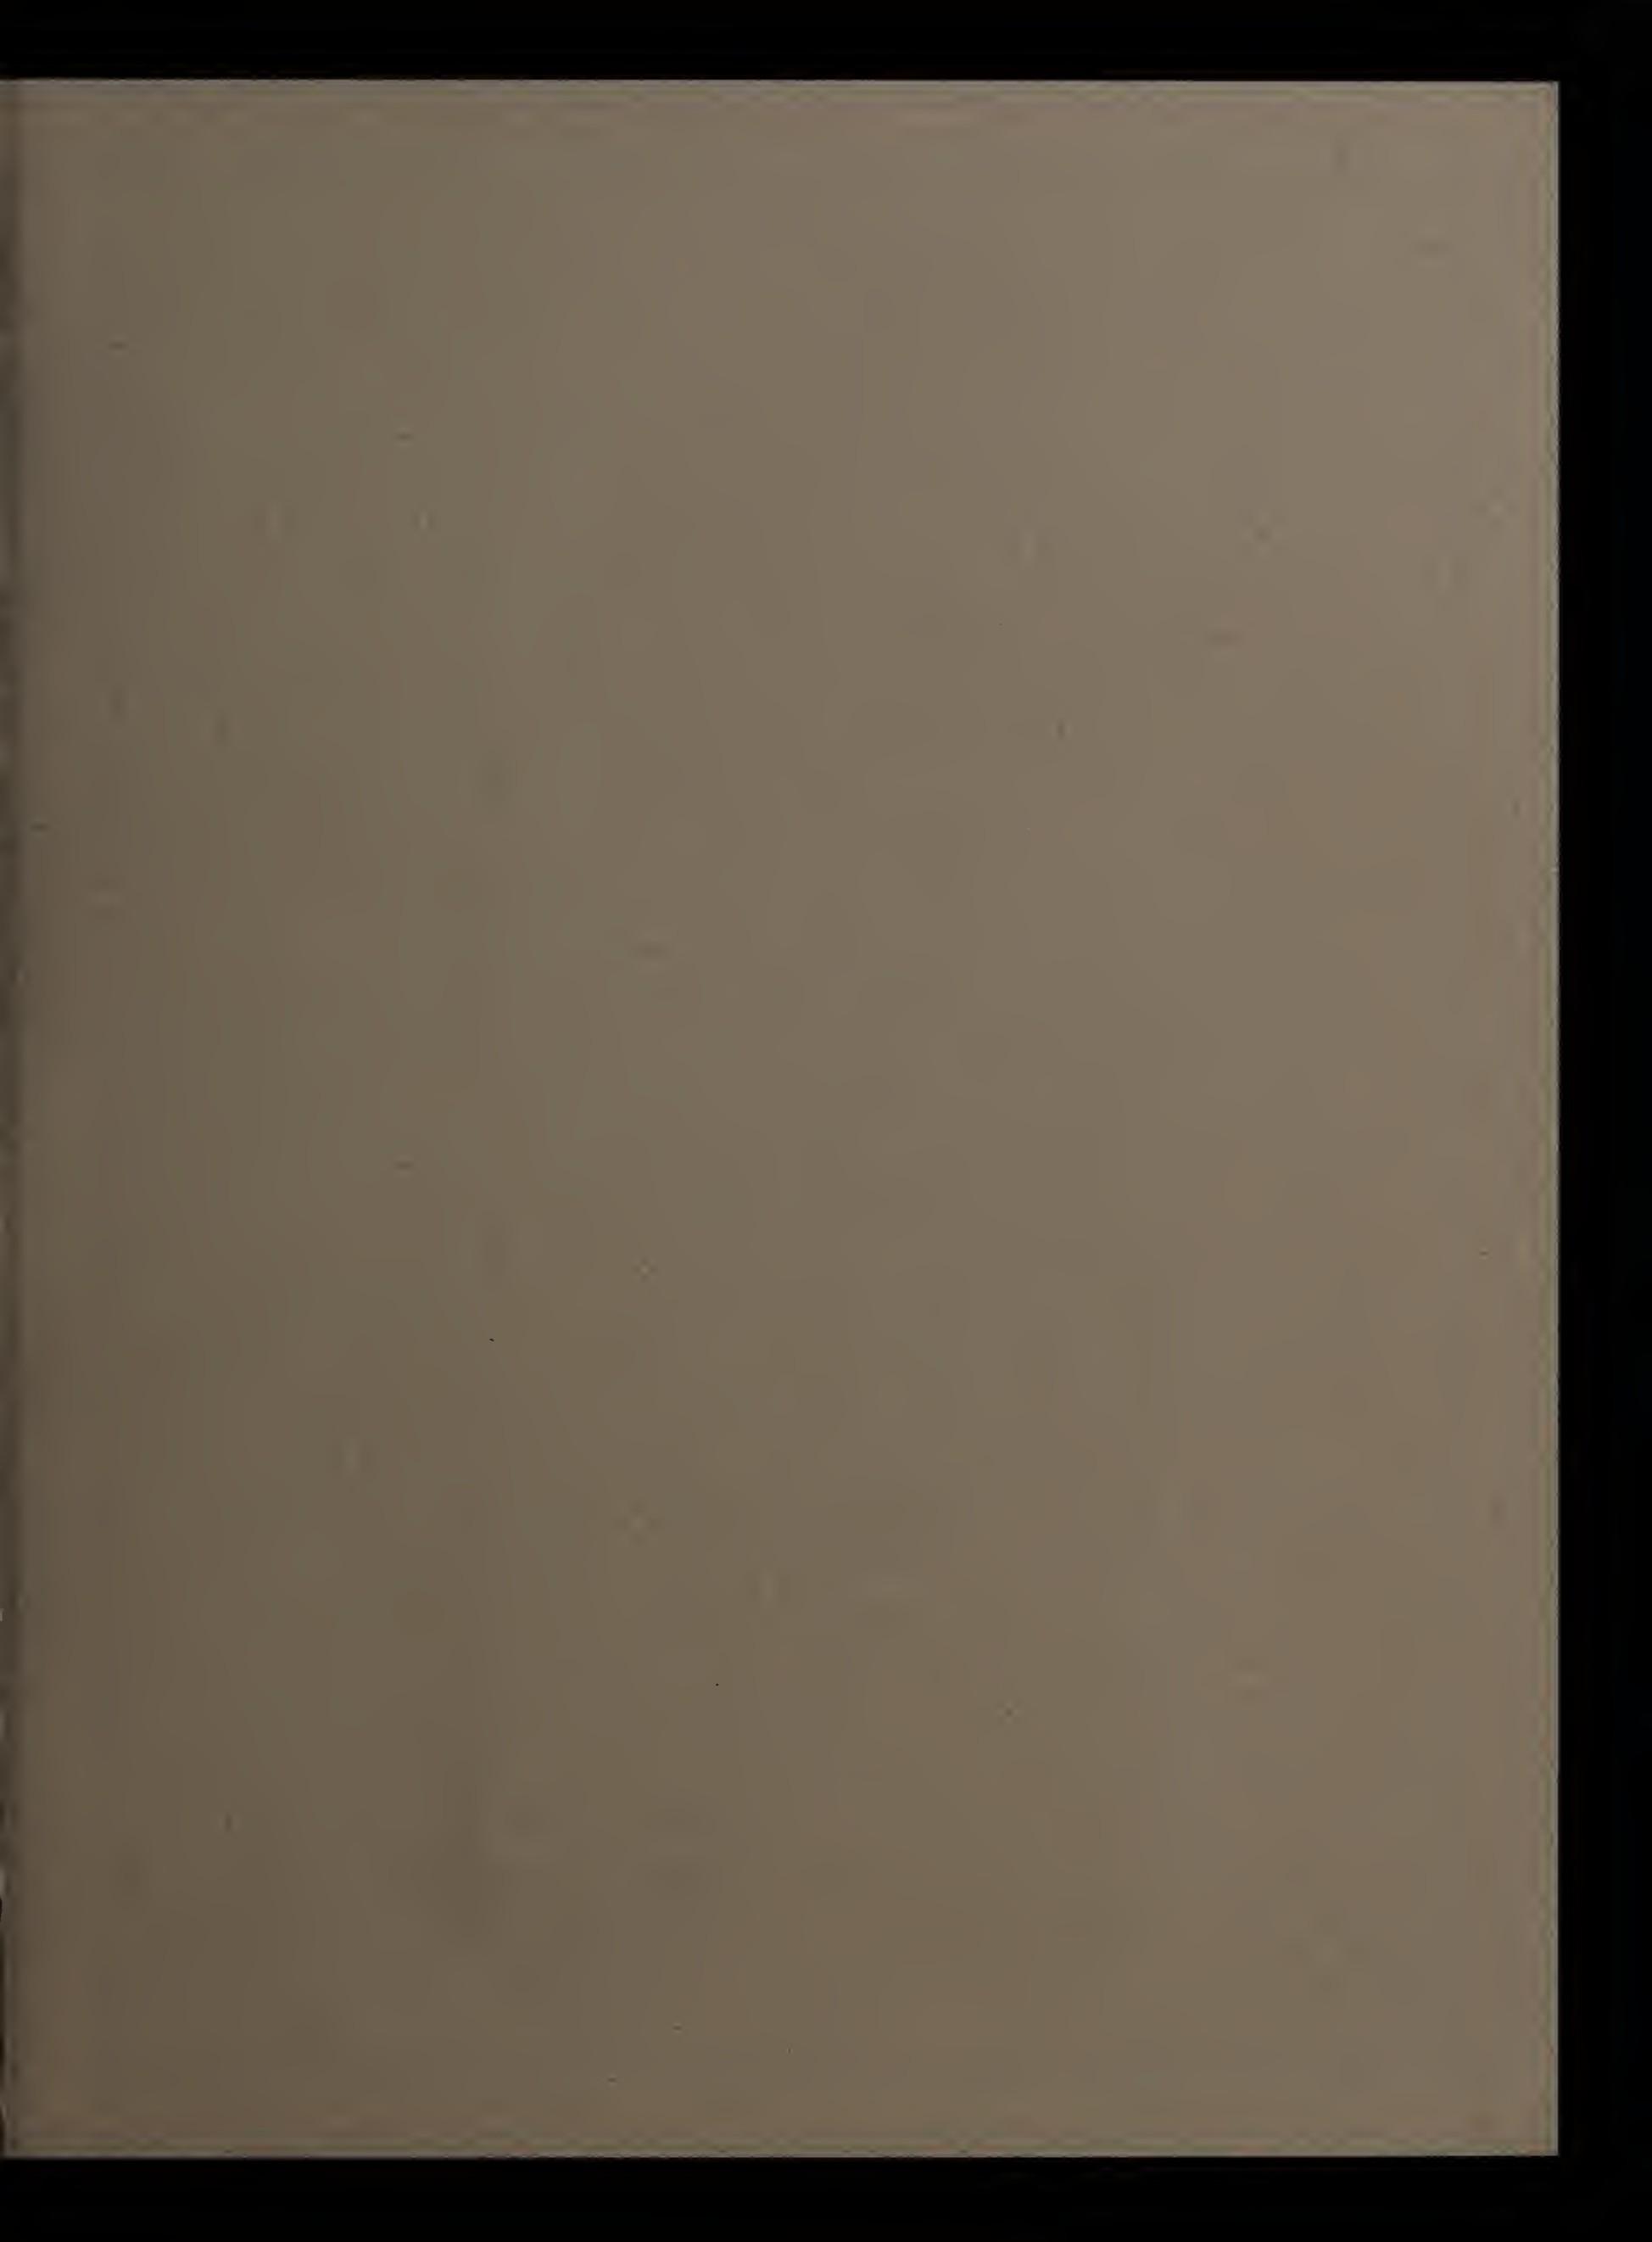

We couldn't possibly forget the patient secretarial staff, especially Amy Kathman and Donna Laramee, who helped provide us with needed lists, information, and time saving procedures that made our job easier.

In closing, I would like to extend my personal thanks to my fellow advisor and terrific staff. Firstly, to Ms. Maura Goddard whose financial wizardry kept us in the black for the first time in many years. Lastly, but certainly not least, the students who made this job (often rumored to be unbearably difficult) a surprisingly enjoyable experience. Specific thank you's go out to people like Kristy (and friends), who picked up a much frazzled faculty section in the eleventh hour; Sarah, Mark, Hiliary and Trushna, who made the best out of the complications surrounding the sports section; Amie, who sorted through and laid out the largest parent ad section ever to be printed in our book; Julie who's organizational skills kept us up to speed at the beginning of the long process; and Meeghan, Allison, Sarah, Melissa, and Maura who diligently worked during the hot muggy days after graduation. Finally a **HUGE** thanks to all for often staying until 11:00, coming in on weekends and vacations, giving up study halls and social lives, and filling the few seconds of down-time with laughs and memories. I can look forward to beginning the 1998 book with some valuable members returning, a new team of fresh talent, and hopeful success with our first year using the Yeartech publishing system.

Sincerely,  
Lynn Leschke, *Mountaineer* Advisor
